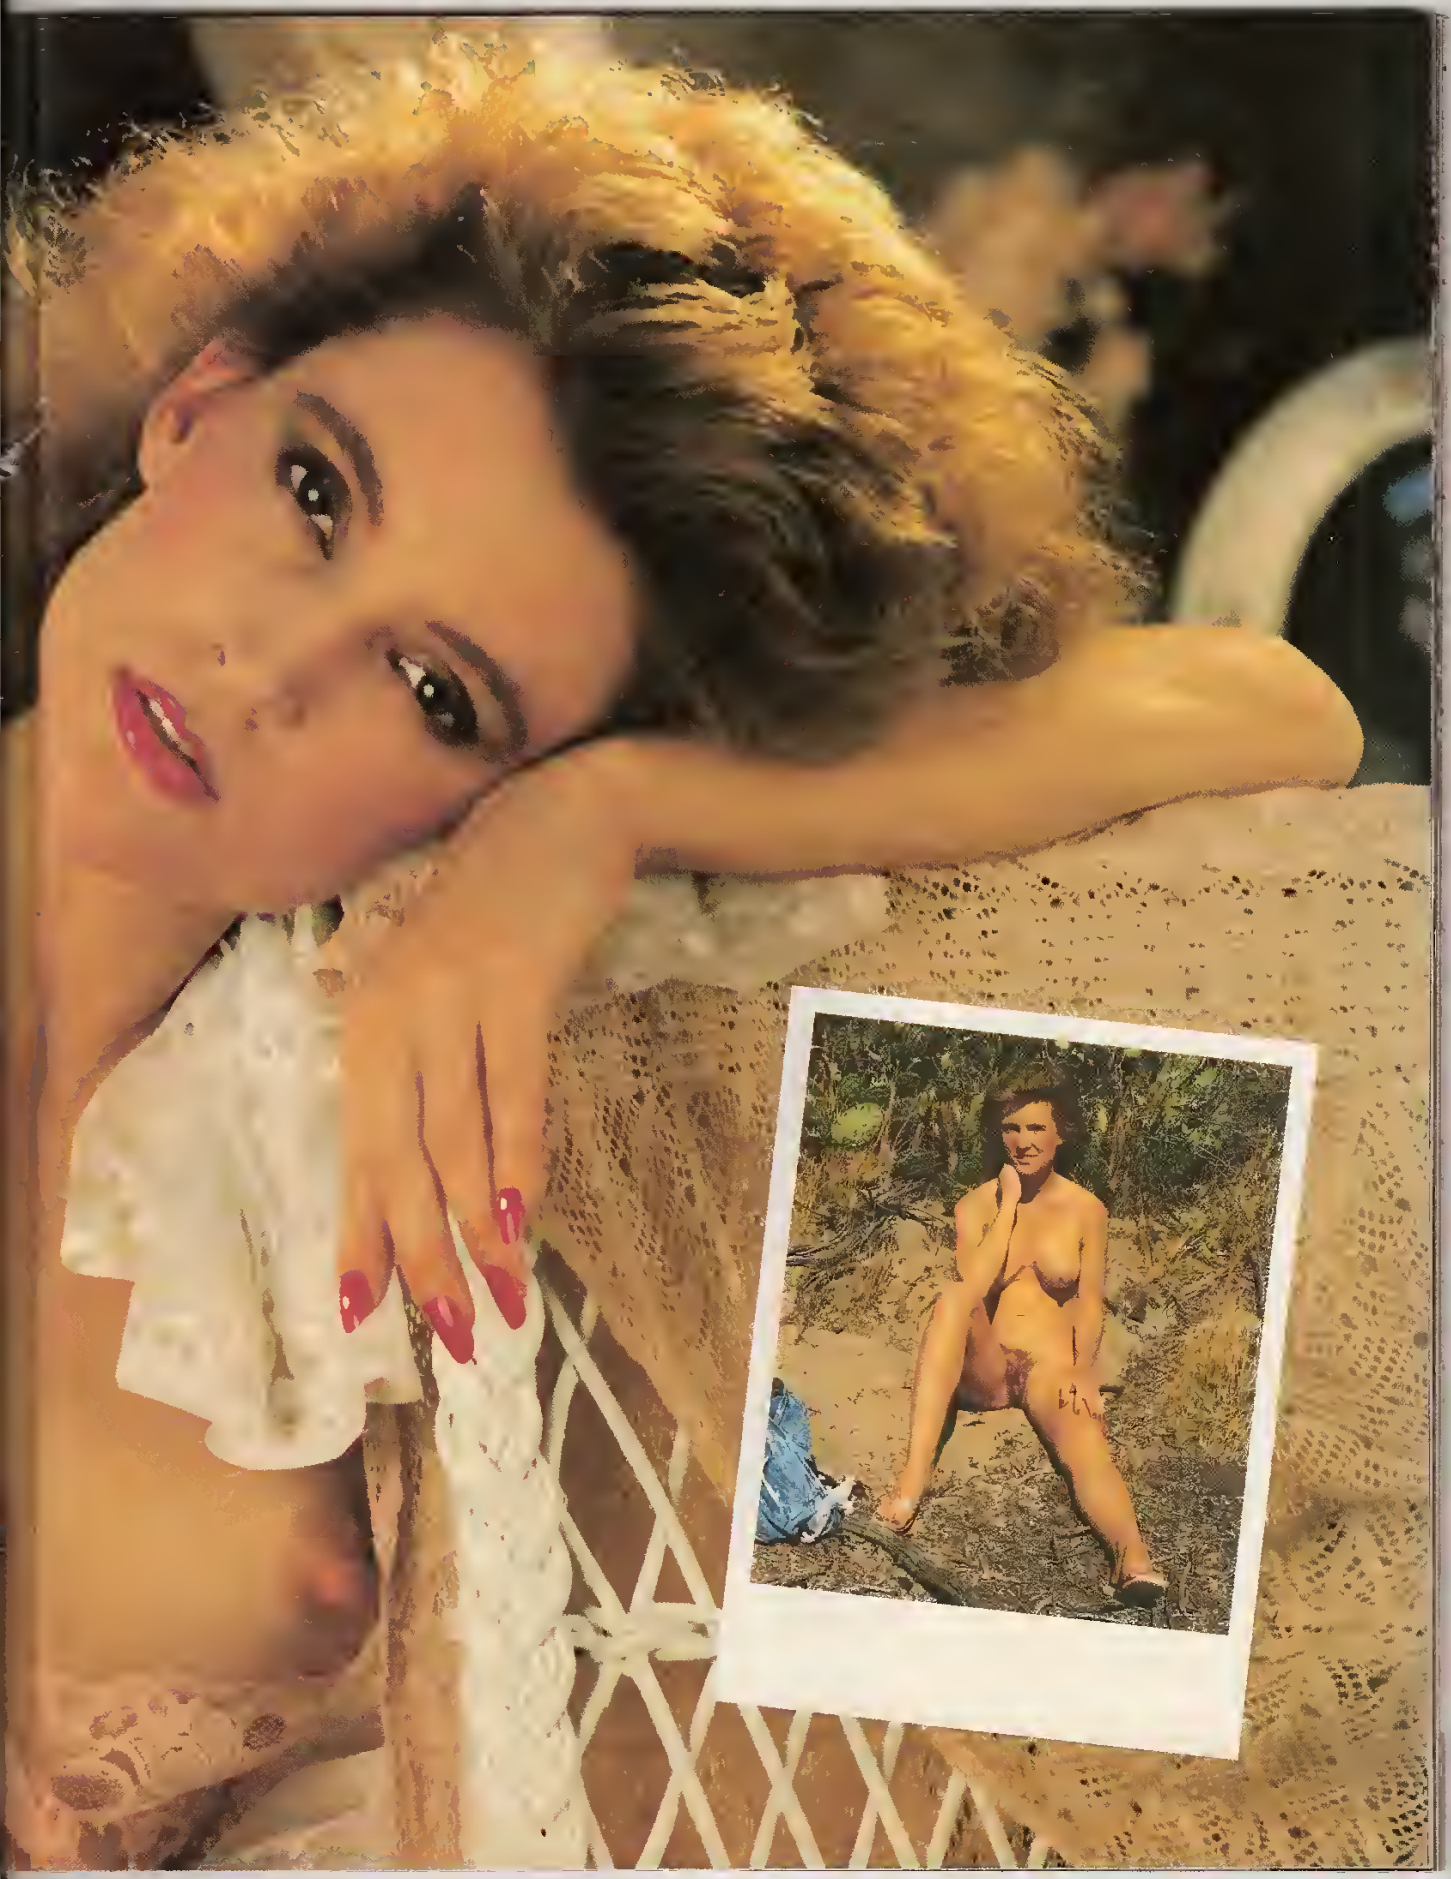
BEAVER HUNT WINNER!

# Sandy

## THE NAKED NOVICE

Although she was understandably nervous about her first big-time modeling adventure as HUSTLER's *Beaver Hunt* winner, Sandy feels perfectly comfortable in the nude. A Minnesota farmgirl who now lives in the Southern California desert, the strawberry blonde enjoys frolicking naked in the wide open spaces: "It's not just that it's natural, it feels *good*," she enthused. "Sometimes I can't wait to get to a secluded spot, or a local nudist camp, and just get naked. I'm not ashamed at all—I *like* being looked at."

Photography by James Baes



Each time a new issue of HUSTLER arrives, Sandy practices our models' poses, so she proved a cooperative, hard-nippled subject for Director of Photography James Baes and staff. Over a special dinner in a restaurant atop a skyscraper, Sandy confessed to being both awed and pampered by the star treatment she received during her two-day stay in Los Angeles. "James was full of compliments. He put me at ease right away."

Besides being a special guest of HUSTLER, Sandy picked up the $1,000 winner's prize and hopes this opportunity grows into regular modeling assignments. We're sure it'll lead to righteously rigid roots among readers, especially when they realize the girl next door could be just like Sandy.

LEAH
Rug Burns

Sex is–well, it's an out-of-body experience with me," boasts lovely Leah. "I take the act of lovemaking so seriously, from the slightest touch of hand and genital, to even the fabric covering the floor. I always fuck on the floor." So she's a tad eccentric, but for a 160 I.Q. journalism student from a major Midwest university, such statements are not so surprising. What may be a little hard to swallow, however, is the fact that Leah claims to encounter her greatest orgasms when fornicating on her favorite Navajo wool rug. "My grandmother gave me this rug when I was seven. I lost my virginity on it at 17. I lost my asshole cherry on it at 22. I love this rug." No argument. Just watch the knees, okay?
